District GSE Team Ready For Australia!!

The District 6000 Group Study Exchange is preparing to leave on February 26 for their month long adventure in southeastern Australia. The team is headed up by Rotarian Rita Perea, who is the president of the new Greater Des Moines Rotary Club that was chartered almost one year ago. This year's team is comprised entirely of ladies. Other team members are Cara George, Natasha Wilson Boland, Kyla Kiester, & Julie Pollock.

The GSE program is intended to help promote world peace and understanding through the exchange of ideas between young professionals worldwide. The two participating Districts each assemble a team of young professionals of which only the team leader is a Rotarian. Each team visits the other's District for a month traveling about in the District to observe and talk with young professionals engaged in similar professions. It is hoped that the understanding developed by these young professionals will help them to become better leaders in our ever changing world. You can follow the adventures of this year's team on their blog at www.d6000gseladies.tumblr.com where they plan to post frequent updates about their experiences.

Birthday Auction Is Next Week!

That's right, it's time for our semi-annual birthday auction with this auction being for all those whose birthdays are between January 1 and June 30. If you fall in this range, you need to provide a "gift" (well, you know what this means) for Doug to auction to the "lucky" bidder! Failure to provide a gift will be cause for a \$10 fine. All monies collected go to the Rotary International Foundation! Get busy hunting up that gift!
