**Mar. 8:** “What’s New At ISU”, Dr. Gregory Geoffroy, ISU President

**Mar. 15:** “The Art of Photography”, Kim Christensen, Photographer

**Mar. 22:** “Health Insurance Reform”

## Literacy Month Kicks Off!!

Today is the first day of March, but it is also the beginning of Literacy Month in the Rotary calendar. There is perhaps no greater factor in causing perpetual poverty than illiteracy. People who are illiterate not only are unable to read a book, but they can’t read labels on food, follow a recipe, or even fill out a loan or job application. They become disconnected from our society, and this can lead to bigger problems with their health and well being. Rotary has worked diligently for many years to help make our world totally literate, but our work is never done. Each year, there are new children born who need to be taught to read so they can be productive citizens.

Our club has a long history of serving others through our efforts in combating illiteracy. We have read in classes and at the library, given out hundreds of books at our kindergarten clinic, and teamed with District 6000 through the Reach Out and Read campaign. We firmly believe that literacy is the great equalizer in the world today. A person who can read is ready to do their part in our world. The question is, though, what other things can we do to help in the battle? Let’s explore that this month!

## Conferences Coming Up!

There are a few conferences coming up that are a great way to connect with Rotarians from around the state and world. This year’s District Assembly is March 27 in Ankeny, and it is a time when District 6000 sets its agenda for the next Rotary year. You won’t want to miss the District Conference in Burlington April 23-25. This promises to be a great conference in a fantastic resort. Finally RI Convention in Montreal is fast approaching. Early registration discounts end on March 31!!!
