## Our Motto: Service Above Self!!

Rotary was the first service club that was formed in the entire world, and for over a century being a Rotarian has meant being in service to others. Service is the foundation upon which all of Rotary has been built, and Rotary serves our communities and our world in so many ways.

The most obvious and noticeable service project is certainly our Polio Plus program. For the last couple of decades, Rotarians the world over have worked to eradicate polio from our planet, and today through that dedicated service effort, we are very near the achievement of that goal. We will accomplish that task, and without any doubt, we will set our sights on our next big service effort. What that will be, who knows, but we'll make it happen!

It's not always as easy to see the service efforts of Rotary, but rest assured that Polio Plus is only one way that Rotarians are in service to others. Our club has been busy for years serving our community through projects like the Kindergarten Clinic and the Rotary Readers. We've organized the Bell Tower Parade and helped with the outdoor classroom, and we've also sponsored the Interact Club to help our high school students learn the value of serving others.

Let's also remember that our District has many fine programs that help serve others. Through Iowa MOST, young people in Central America get surgery to make a smile from their cleft pallet. FAMSCO has provided quite literally tons of supplies and equipment including ambulances and fire trucks to Latin American communities. Don't forget our ongoing work in Xicotepec, Mexico! Service Above Self, that's Rotary!!
