The Object of Rotary, It's At Our Core!!

For the past few weeks, we've been taking a look at what Rotary stands for and what it means to be a Rotarian. Today, we'll take a look at the Object of Rotary, which underlies our true beliefs.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity for service.

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

Third: The application of the ideal of service in each Rotarian's personal, business and community life.

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Given this statement as the Object of Rotary, is it any wonder that our motto is Service Above Self. Not only is ideal of service the overriding theme, service is the key element in each of the four points. Being a Rotarian means looking for ways to serve in each and every facet of our lives. High ethics, service, goodwill and peace; it's why Rotary makes a difference!!
