## Rotary Is More Than Halfway To Our Goal!!

It's official, Rotary is more than halfway to our \$200 million goal to earn a \$350 million match from the Bill & Melinda Gates Foundation. To recognize the progress, Rotary International has released a video of Bill Gates congratulating us on the progress and encouraging us to continue to strive toward the ultimate goal. In addition to acknowledging the fund raising efforts, Gates also noted that Rotary's role in keeping the fight on the forefront of the world's agenda is just as critical.

"The work you're doing to raise funds for the program is critical, especially given the tight government budgets and increasing costs for a very aggressive polio program. Your work as advocates is also very important. We need to keep this fight on the world's list of priorities," he said.

The video can be viewed on the Rotary International website at [www.rotary.org](http://www.rotary.org), which can also be accessed from a link on our own website. There's also a lot more info on the challenge.

## District Conference Is This Weekend!

This year's District 6000 Conference is slated for this weekend at the PZAZZ Convention and Event Center in Burlington. The event kicks off with a golf tournament on Friday and ending with a brunch on Sunday. In between is a whole bunch of fun and fellowship for Rotarians and their families alike. Preregistration has ended, but you can still join in by registering at the event. A full agenda of activities is posted on the District website at [www.rotary6000.org](http://www.rotary6000.org).
